Tonight the Guild Players present Henri Gheon's moving piece *The Way Of The Cross*.

*The Way Of The Cross* was written for use as the readers and their congregation processed around the stations of the cross on the walls of the Church. The procession mirrors that slow and agonising ascent to the hill and the cross, and the ultimate wonder of the empty tomb.

Tonight *The Way Of The Cross* is read for you as an anthology with music separating each station. During the music you are invited to take your own walk with Christ and spend a short time in personal reflection and prayer at each station before we move on.

Recorded Music:

Empty Canvas by John Michael Talbot  
Mystic Isle by Midnight Skye

Song:

I Don't Know How To Love Him
