Appeal

As our play is set in a fictional hospital we make no apologies for seeking your help for the real thing.

The Friends of our local hospital - Finchley Memorial - have mounted an appeal to raise £20,000 to replace ageing ultrasound equipment which has been in use at the hospital now for over a decade.

Since you have not been charged for your programme tonight we hope that you will feel moved to place a contribution to this cause in one of the collecting boxes which you will find in the foyer. Please be generous.

Thank you
